HIGH SCHOOL PRINCIPAL'S YEARLY
REPORT TO SUPERINTENDENT

1957-1958

Melvin E. Heiler, Principal

NORTH SCOTT COMMUNITY SCHOOL DISTRICT

----- PRINCIPAL'S REPORT TO SUPERINTENDENT -----

1957 - 1958

Melvin E. Heiler,
Principal

HIGH SCHOOL TRANSPORTATION

The North Scott Community School District provided transportation to students attending Davenport and DeWitt. Students attending other high schools were provided transportation by the school which they were attending, or provided their own transportation. The North Scott District reimburses the school or individual providing transportation according to state regulations.

Four buses operated daily to Davenport transporting 200 students. Three buses operated daily to DeWitt transporting 110 students.

Disciplinary problems for the year were at a minimum. These problems came from only two buses and were probably as much the fault of the driver as the student. It is my feeling that better discipline should be maintained on our buses, particularly in controlling the type of language used by the students. This will be especially important next year when all age groups ride the same buses.

With the number of drivers involved, we are bound to have a few each year who cannot handle discipline or who mistreat the bus itself. If drivers do not do a satisfactory job, they should be replaced.

NORTH SCOTT COMMUNITY HIGH SCHOOL
Eldridge, Iowa

REQUIREMENTS FOR GRADUATION

A student must have a total of 16 units of work to graduate from the North Scott Community High School. A unit of work is defined as completing satisfactorily a course meeting five times a week for a total of 36 weeks.

The following are required for graduation:

ENGLISH - 4 units of which one must be Speech
GENERAL SCIENCE - 1 unit
MATHEMATICS - 1 unit
SOCIAL SCIENCE ---
WORLD HISTORY - 1 unit
AMERICAN HISTORY - 1 unit
SOCIAL PROBLEMS - 1 unit
ELECTIVES - 7 units
DRIVER EDUCATION - one semester
PHYSICAL EDUCATION - 4 years - 2 periods per week
VOCATIONAL GUIDANCE - 10th grade - 2 periods per week

Four academic subjects per grade per semester are required with five subjects optional with the principal's consent.

Juniors and seniors of 1958-59 may be excused from Driver Education and Vocational Guidance if they have not taken these at the school they are attending at present.

Graduation requirements vary slightly from one school to another. As our students are transferring from other schools, any difference in graduation requirements will be taken into consideration.

COLLEGE ENTRANCE REQUIREMENTS

General*

English	3 units
Social Science	1½ "
Restricted Electives (English, Social Science, Foreign Language, Natural Science, Math.)	4½ "
Free Electives	6 "
Total	15 units

State University of Iowa

Liberal Arts - Graduate of accredited high school
